Science Code Manifesto

Code
All source code written specifically to process data for a published paper must be available to the reviewers and readers of the paper.

Copyright
The copyright ownership and license of any released source code must be clearly stated.

Citation
Researchers who use or adapt science source code in their research must credit the code’s creators in resulting publications.

Credit
Software contributions must be included in systems of scientific assessment, credit, and recognition.

Curation
Source code must remain available, linked to related materials, for the useful lifetime of the publication.
