Science Code Manifesto

**Code**
All source code written specifically to process data for a published paper must be available to the reviewers and readers of the paper.

**Copyright**
The copyright ownership and license of any released source code must be clearly stated.

**Citation**
Researchers who use or adapt science source code in their research must credit the code’s creators in resulting publications.

**Credit**
Software contributions must be included in systems of scientific assessment, credit, and recognition.

**Curation**
Source code must remain available, linked to related materials, for the useful lifetime of the publication.
